Fax: 920-882-3655

## President's Message

Nameeta Dookeran, MD

Dear Colleagues,

Thanks to all who were able to join us at our WCMS "Keeping it Real" social networking event at Mo's Irish Pub earlier this month. Some great ideas were discussed, including practical ways to support one another as we strive to stay true to the purpose and vision that

brought each of us to the field of medicine.

I strongly encourage you to [register now](#) to join us at our April 10<sup>th</sup> CME dinner event, "Staying Connected to our Healing Spirit through Increasing Wellness and Decreasing Burnout," with two wonderful guest speakers. The program will be held at the Marriott Milwaukee West in Waukesha.

In order to represent WCMS physicians as best as possible, your Waukesha County delegation would like your input through a very simple [survey on resolutions](#) submitted to the annual WMS House of Delegates for the April meeting. Just click whether you support, oppose or are neutral on each resolution. Comments are optional. Please fill out this quick survey by March 13.

In addition, we encourage you to [register](#) to join us for our District 1 Caucus meeting on Thursday, March 22nd in Wauwatosa, when we will work on coming to consensus on our District position on various issues in preparation for the WMS House of Delegates meeting. A complimentary dinner will be provided.

As always, please [contact me](#) through the WCMS office with your ideas!

-Nameeta

## April 10 CME & Dinner Program Register Now

Join Waukesha CMS for our Spring Education & Dinner Program on *Staying Connected to our Healing Spirit through Increasing Wellness and Decreasing Burnout*.

Tuesday, April 10, 2018  
6:00 - 8:30 pm  
Marriott Milwaukee West, Waukesha, WI

Presenters H. Steven Moffic, MD and Randall Levin, MD, FACEP will share their thoughts on burnout as a systemic problem that

afflicts clinicians who feel themselves trapped in systems that do not seem to honor--and may actively impeded--their professional ethical responsibility to care for patients.

This program is offered complimentary to all WCMS members. Non-members and guests may register for a \$50 fee.

[LEARN MORE & REGISTER.](#)

## Doctor Day 2018 Draws Record Crowd

Doctor Day 2018 brought more than 450 physicians and medical students from across the state to Madison to meet with legislators and their staffs on Tuesday. Key issues included a proposed Worker's Compensation fee schedule, a bill allowing chiropractors to perform comprehensive sports physicals for high school and college athletes, and legislation removing the requirement for certain nurses to work in collaboration with a physician.

Prior to meeting with legislators at the State Capitol, attendees heard from speakers including Gov. Scott Walker, who highlighted his Health Care Stability Plan to lower individual health care premium costs, provide seniors with greater health care stability, and protect those with preexisting conditions. He also discussed recent initiatives to combat the opioid crisis in Wisconsin. [Read more.](#)

## Call for WCMS Delegates

*WMS House of Delegates meets April 14*

The Wisconsin Medical Society's House of Delegates (HOD) will convene Saturday, April 14, as part of the Society's 2018 Annual Meeting at Monona Terrace Community and Convention Center in Madison.

Opportunities still exist for members in Waukesha County to participate in the policy-making process! Please consider serving as a Delegate to this important event! [Contact us](#) if you wish to be a delegate from Waukesha County.

## District 1 Caucus Meets March 22

Join Medical Society colleagues from across southeastern Wisconsin for the annual spring District 1 Caucus, 5:30-8:00 pm on Thurs. March 22 at the Wheaton Franciscan Wauwatosa Campus. We will review and discuss the resolutions that have been submitted for consideration by the Wisconsin Medical Society's 2018 Annual House of Delegates.

There is no cost to attend, but advanced registration is required. A light dinner will be provided. [Register here.](#)
