## President's Message

*Jon Brodie, MD, FAAFP*

The WCMS Legislative Forum at the Delafield hotel on September 5th was a resounding success. We had a record number of members and guests, with 66 people in attendance. Once again, the venue provided excellent fare and attentive staff.

There was an informative update about pending and proposed legislation in Madison, followed by a lively Q&A session which gave members an opportunity to voice questions, concerns, and suggestions to our legislative representatives, State Senator Chris Kapenga and State Representative Cindi Duchow. This event remains one of the premier events sponsored by WCMS.

Our Stop the Bleed campaign progresses, with two Board members scheduled to attend a “train the trainer” course, and with the medical students and residents, we have dates scheduled for faculty training at several area high schools.

As always, your support is crucial to our mission, and members are welcome to reach me at [WaukeshaCMS@badgerbay.co](mailto:WaukeshaCMS@badgerbay.co).

With warm regards,

Jon Brodie, MD, FAAFP

*It's not the price of membership. It's the price you paid to be eligible to be called "physician."*
