President's Message

Tracy McCall, MD

A group of Waukesha CMS delegates had the opportunity to attend the annual WMS House of Delegates a few weeks ago. Together, we discussed, debated, and voted on what became WMS policy. As the co-chair of District 1, I was pleased to see great representation by the counties in our district. It's always a wonderful opportunity to participate in the process of organized medicine, and I encourage more of you to serve as delegates next year.

Dr. Clarence Chou, my District 1 co-chair, was honored by outgoing WMS president Jerry Halverson with the WMS Presidential Citation. Dr. Chou is a longtime Society member and leader, and was honored for his numerous contributions to organized medicine as well as his commitment to the next generation of physicians.

Please save the date and join us for the WCMS Annual Membership Meeting and Dinner at the Golden Mast on Okauchee Lake. The event will take place on June 1st. See details below and [register](#) today.

As always, please contact me with your ideas, questions or concerns. Thank you for your membership. See you in June!
